*The classes are for 1 hour and can be booked at 4pm, 5pm, 6pm, 7pm or 8pm on Friday and Saturday evenings (Classes during the week are held at times to coincide with normal weekly classes.) Should you require an earlier time, we are able to organise this for you.*

*The classes are more fun than instructional and are \$250.00 for the hour class, which includes all guests regardless of how many are attending. All classes must be booked at least 1 week in advance to avoid disappointment.*

**#Please Note:** We recommend arriving for your class **10 minutes early** to ensure your class begins on time.  
**#Lateness** on your part will result in your class time being reduced in line with the time of arrival at the same cost. Class times will not be extended over the hour.
